

# Catalina Pastorino

curriculum vitae

## personal information

BORN ON: July 3rd, 2001

BASED IN: Buenos Aires, Argentina

NATIONALITIES: Argentina / Austrian

## a little bit about me

As an integral designer, I enjoy learning about many areas in life, and while having a big creative and intuitive side to me, I also have a more rational side which keeps me organised and structured. I can engage in diverse design projects, and I'm mostly interested in audiovisual projects where graphic and music can merge.

## other skills

Music Production  
Illustration
